

ECO LIGHT MINI

9W | OPAQUE | SLPH35F

Manufactured by

SWITCH Lighting

for

5Merchants

This versatile luminaire can be used anywhere in Passive Homes, providing functional lighting for bathrooms, ensuites, walk-in wardrobes, and laundry rooms. With Pure Colour CRI technology, these luminaires offer superior colour rendering, ensuring accurate skin tones and enhancing the richness of timber flooring. Available in sunset dimming, for lighting that gradually softens to create a warm, inviting ambiance that mimics the natural transition from day to night.
